Welcome to **NEWTON!**

Discover Newton — where community, activity and opportunity come together.

Whether you're visiting for the first time or proud to call Newton home, you'll quickly see what makes our town so special. We honor our small-town roots while growing, evolving and investing in what makes Newton a great place to live, work and explore.

From high-energy weekends at Iowa Speedway to everyday adventures across our parks, trails and recreational spaces, there's always something new to discover. Public art, creative spaces and community events bring character to the city, while downtown offers local shops, restaurants and gathering places that make it easy to feel connected.

In 2026, we proudly celebrate milestones that reflect both the legacy and the energy of our community. This year marks the 100th anniversaries of Hotel Maytag and Newton Maid Rite — iconic establishments that have shaped our story for generations. We also honor 180 years of Jasper County, celebrating the people, businesses and traditions that continue to strengthen our region.

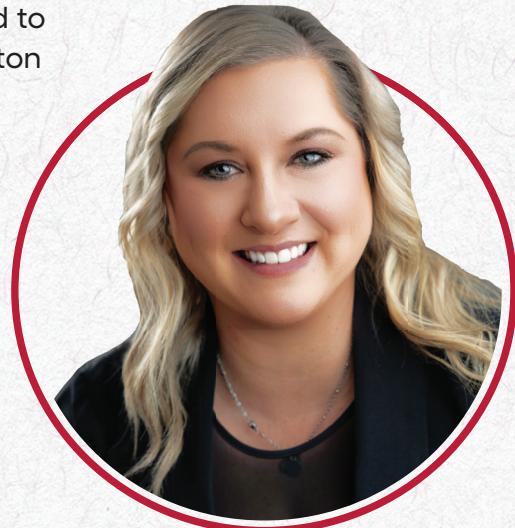

This Community Guide & Membership Directory is your starting point for discovering the businesses, services and opportunities that make the Greater Newton area thrive.

At the Greater Newton Area Chamber of Commerce, we're proud to support the businesses, experiences and people that make Newton a place worth exploring.

Welcome to Newton — we're glad you're here.

Newton Main Street Welcomes You!

Newton Main Street is where history, heart, and economic development come together. Rooted in historic preservation and driven by community pride, Newton Main Street works to strengthen the local economy while honoring the stories and structures that define our downtown. Designated as a Main Street Iowa community in 2014, the organization has since become a catalyst for reinvestment, collaboration and lasting impact in the heart of Newton.

Since joining the Main Street Iowa Program, more than \$12.5 million in public investment and \$22.7 million in private investment have been made within the Main Street District. Just as meaningful, volunteers have contributed over 15,600 hours of service — representing a value of \$29.96 per hour — demonstrating the deep commitment residents, businesses and partners have to the future of downtown. These numbers tell a powerful story of belief, momentum and shared purpose.

Our mission is simple yet bold: to preserve history, invest in the future, and develop pride in our downtown district through community involvement, volunteerism and strong public-private partnerships. At its core, Newton Main Street is about people — neighbors working together to ensure downtown remains vibrant, welcoming and economically strong.

Spanning a 90-acre, walkable district, Main Street is where history meets hometown charm. It's a lively hub filled with unique shops, local eats, cultural experiences and community events. It's where residents and visitors alike come to live, work, gather and celebrate.

With revitalized design, strong leadership and a growing spirit of entrepreneurship, Newton Main Street continues to build a district that is authentic, resilient and distinctly Newton—honoring our past while confidently shaping what comes next.

Thank You,
Erin Yeager, Executive Director

48-HOURS IN Jasper County

DAY 1

BAXTER & COLFAX

Start your day in Baxter, where small-town charm pairs perfectly with easy outdoor access. Grab a morning coffee at Java On Main Café, then head out to enjoy nearby trails and green spaces before the day really gets rolling.

Stick around Baxter for lunch and local flavor. Settle in at Benola's Pub & Patio for classic comfort food and a laid-back vibe near the Chichaqua Valley Trail, or grab quick, bold bites from That Juan Taco Place. It's the kind of town where friendly faces and unhurried moments are part of the appeal.

In the afternoon, head south to Colfax, a town with historic roots and a strong connection to the outdoors. Spend some time at Quarry Springs Park, where

scenic trails, wooded hills and a beautiful lake make it easy to slow down and soak in the landscape. From there, wander downtown, pop into shops like AYB Gifts & Candle Bar and browse one-of-a-kind finds at Spring City Vintage, an occasional antique and vintage décor shop that opens on select days. The relaxed pace here makes Colfax an easy place to explore and collect something special.

As evening sets in, Colfax delivers with cozy dining and casual nightlife. Enjoy pizza at Georgioz, a hearty meal or ice cream stop at The Cratty Shack or wind down with a drink at a local favorite like The Thirsty Turtle.

Stay the night nearby, with convenient lodging options perfectly positioned for a restful stop between Baxter, Colfax, and the rest of your Jasper County adventure.

DAY 2

SULLY, MONROE & PRAIRIE CITY

Start your day in Sully, where mornings are worth planning around. Make a beeline for La Rose Marie Bakery, a beloved local stop known for fresh donuts, pastries and baked goods that sell out fast. Grab breakfast, wander downtown, and soak in the quiet charm that makes Sully an easy place to begin the day.

By late morning, head north to Monroe and go straight to lunch at Mike's Lounge for pizza and drinks — a go-to local spot that keeps things casual and satisfying.

After lunch, treat yourself to something sweet at Jersey Freeze, a classic roadside stop known for shakes, cones, and nostalgic small-town vibes.

From Monroe, head west to Prairie City for an outdoor highlight of your trip. Spend the afternoon at the Neal Smith National Wildlife Refuge, where wide-open prairie, bison and elk, scenic trails offer a refreshing change of pace and a chance to reconnect with nature.

As evening approaches, settle in for dinner at Goldie's in Prairie City, a local favorite famous for its hearty tenderloins and indulgent ice cream — the perfect way to wind down after a day of exploring.

Wrap up your Jasper County getaway full, relaxed and already thinking about where in Jasper County to explore next.

Grow with us

OUR PURPOSE

We package life's everyday moments for a renewable future

Build a better world

It starts with less waste, a smaller carbon footprint and packaging that's better for the planet.

It extends to volunteering and giving back to renew our communities.

Packaging made primarily with renewable or recycled materials

Unlock innovation in every package

Proud to make sustainable packaging for the world's leading brands.

OUR REACH

Our packaging reaches millions of people every day. From your drive-thru coffee to your microwaved lunch, from your weekend beverage to your health and beauty essentials. Even household products and pet food.

Join a winning team

It takes exceptional people to drive stellar results. Our team puts safety first, acts quickly to solve challenges and has each other's back. That's our culture... and that's how we make things happen.

Recognized since 2022

Leader in safety performance
